## ABOUT US

The Edmonton Wildcats is a not-for-profit organization that provides players ages 17-22 an opportunity to play football in the Canadian Junior Football League (CJFL). For over 75 years, the Edmonton Wildcats have provided young men the opportunity to play post-secondary football and join a team deeply rooted in community. The Edmonton Wildcats foster teamwork, perseverance, and cooperation, teaching players valuable skills that extend beyond the field.

The Edmonton Wildcats continue to be a community leader in part to the generous support of our sponsors. Through your contributions, the Edmonton Wildcats offer resources and support to each player to help them achieve success both on and off the field.

Our first priority is fielding a successful on-field team, but we recognize that only a small percentage of the young men that play post-secondary football go on to play professionally. This is why our vision is to create leaders on and off the field. We see value in investing in them to help them be successful in whatever they do, and be great employees/employers and community members.
